

4 bedroom house in Puerto Calero for sale

Ref: VL2476

€ 1,225,000

Description

Puerto Calero is one of the finest addresses in the Canary Islands, here investors benefit from a luxury, totally private and secluded neighbourhood with the highest quality Villas and first class harbour facilities for their boats. The marina is well established and recognised internationally, chosen by many Europeans as base for their boats, second homes and full time residences. This particular property is located only a stone's throw from all harbour facilities. With the property being walled by volcanic stone, this gives complete privacy with sea and mountain views. The developer and the architects have not been afraid to use only the top of the range materials throughout the property, each part has been designed and finished with every detail to the best. The latest electronic control system operates air conditioning, shutters, lights etc. Wooden flooring has been selected throughout all living areas, externally the designers utilize non slip tiling, wooden decking and gras...
