

2 bedroom house in Puerto del Carmen for sale

Ref: HS1719

€ 449,000

Description

Exclusive to Atlantico Homes: A magnificent property for sale with a great location set right in the heart of Puerto del Carmen and just a 2-minute walk from main avenida. It is a large two-story property with a very pleasant and spacious private terrace. This property is well distributed, with an impressive living room, kitchen, toilet and terrace on the upper floor, and a second living room, two full bathrooms and two bedrooms on the ground floor. Furthermore, next to this property, and included in the sale price, there is a fully equipped and furnished studio-apartment, ideal for guests or for vacation rentals, as it has a separate entrance. This property is part of an apartment complex and therefore has the use of the communal swimming pool.
