

4 bedroom house in Puerto del Carmen for sale

Ref: HS1724

€ 695,000

Description

Exclusive to Atlantico Homes: A spacious modern 3 bedroom villa with a separate 1 bedroom apartment located in a quiet cul-de-sac on a prime elevated position in Puerto del Carmen. This spacious villa is very close to the popular old town fishing harbour and only a 5 minute walk to the main Beach and its promenade full of shops and restaurants. On the elevated level there are 3 double bedrooms, 2 bathrooms one en-suite a large living/dining room and a fully fitted kitchen with utility room. Downstairs, on the pool level there is an independent 1 bedroom apartment with a bedroom, separate lounge, bathroom and a small kitchen. Next door to the apartment is a large storeroom. Outside of the villa is a large covered veranda with a built-in Barbecue, the villa has a large fully tiled sun terrace complete with private heated swimming pool. This villa has been used as a very successful rental property and would continue to do so for anybody looking for a rental property, but it is spacious...
